# Partner Appointment

Meissner Bolte is delighted to announce the appointment of three new partners: Verena Engstle is strengthening our growing team in Nuremberg and Florian Meyer and Jasper Werhahn will be consolidating the future of our Munich office. Gernot Schröder and Jochen Kilchert, Partners from Nuremberg and Munich, have acknowledged the up-and-coming talents, stating: "We are again welcoming fresh expertise and new ideas

to our partnership. We are looking forward to sharing and developing our professional experience in, and commitment to, the interests of our clients and law firm. All three partners began their careers and completed their studies as patent attorneys with Meissner Bolte and we are proud that they will now form an integral part of the law firm's management and future".
