

Selection of Countries with Protection for Industrial Designs (Please contact us in case any country of interest is not listed)

If interested, please mark below:

CDA = COMMUNITY DESIGN APPLICATION

The scope of protection of a registered Community Design covers all EU countries marked with CDA

INT = INTERNATIONAL DESIGN APPLICATION

(By filing an International Design Application, design protection can be obtained in all countries/regions marked "INT")

NAT = NATIONAL DESIGN

(In the countries marked "NAT", design protection can be obtained only by filing a national application)

OA = AFRICAN REGIONAL DESIGN APPLICATION

For the states marked with "OA", a regional design application can be filed (which also covers Burkina-Faso, Cameroon, the Central African Republic, Comoros, Republic of the Congo (Brazzaville), Guinea, Guinea-Bissau, Equatorial Guinea, Mauretania, Chad and Togo); please contact us in case you are interested
